First Away Event Question Map

Get the real answer before rehearsing the plan.

An unfamiliar event needs confirmed directions and responsible adults, not confident guesses or guaranteed outcomes.

Example: the meeting time is confirmed but the entrance is unknown. A parent asks through the team channel, then reviews the organizer's actual answer with the athlete.

01 Identify the unknown

Use the athlete's actual question.

Unfamiliar part of event

Question in athlete's words

Confirmed detail

Assumption to leave unconfirmed

02 Assign the question

Send it to the responsible adult.

Team question and route

Venue question and route

Family arrangement owner

Conflicting message to clarify

First Away Event Question Map / Review & follow-through

03 Record the answer

Keep current evidence beside the plan.

Actual answer received

Answer source and date

Detail still pending

Change to the current plan

04 Review the first step

Check understanding without a memory contest.

First approved action

Adult giving next direction

Athlete's remaining question

Detail to review after event
