Bench to Next Responsibility Plan

Clarify the current team role.

Explain the athlete's current role and one approved next responsibility, while keeping future selection decisions separate.

Hypothetical example: an athlete receives a clear current responsibility, while the coach arranges a later selection-policy question without promising a new role.

01 Clarify the role the athlete has now

Clarify the current team role.

Event or practice

Current role confirmed

Decision authority

What was actually communicated

02 Hear the question before adding a lesson

Hear the athlete's actual question.

Athlete's question

Misunderstanding to clarify

Conduct issue if actually observed

Private detail to protect

Bench to Next Responsibility Plan / Review & follow-through

03 Give one approved next responsibility

Name one approved responsibility.

Approved next responsibility

When it begins

Supervising adult

Instruction athlete understands

04 Keep selection separate from compliance

Check the return without promising selection.

Return action observed

Support still needed

Selection question kept separate

Later conversation arranged
