The Chore Complaint Review

Keep the job clear. Give fairness a hearing.

An ordinary family responsibility and an honest question about fairness can both receive a clear answer.

Example: recycling remains tonight's job; after dinner the family checks the actual workload and confirms the next rotation.

01 Hear the concern

Record the claim before deciding it is unfair.

Disputed chore

Child's specific concern

Real obstacle or preference

Immediate help needed

02 Correct the words

Give an honest concern a respectful route.

Disrespectful wording

Replacement question

Conduct boundary

Promised review time

The Chore Complaint Review / Review & follow-through

03 Examine the work

Compare the actual assignment and ability.

Child's current workload

Relevant sibling workload

Ability or supervision need

Adult correction to make

04 Keep the decision

Finish the review with an arrangement you can follow.
