Bible Question Study Sheet

Read carefully and answer honestly.

Treat a sincere question with attention. Check the passage, identify your interpretation, and keep your follow-up promise.

Example: a child asks about a difficult parable. The family notes its speaker and audience, separates the text from an explanation, and takes one unresolved phrase to the pastor.

01 Hear the question

Preserve the child's wording and actual concern.

Exact question

Word or event involved

What child means

Personal concern to address

02 Read the passage

Check the text and surrounding setting.

Passage to read

Speaker and audience

What text explicitly says

Words needing explanation

Bible Question Study Sheet / Review & follow-through

03 Mark the limits

Separate interpretation from unanswered details.

Family or church interpretation

Reason for that explanation

What remains uncertain

Source or leader to consult

04 Keep the follow-up

Return with what you actually checked.

Follow-up date

Answer checked

Child understanding

Question still open
