Message, Meaning, and Clarification Page

A guessed tone is still a guess.

An ordinary ambiguous message deserves a clear question before an accusation.

Hypothetical example: a child reads a one-word reply about a plan and asks whether the meeting time still stands instead of sending an angry group message.

01 The received words

Use only the message relevant to this decision.

Exact words

Question that came before

Missing context

02 The uncertain meaning

Keep a concern separate from a proven motive.

Child's interpretation

Fact that supports it

What remains unknown

Message, Meaning, and Clarification Page / Review & follow-through

03 The clarification

Ask about the point that needs an answer.

One question

Appropriate private route

When the plan needs a decision

04 The response

Use an actual answer or label it unanswered.
