Teacher Transition Question Sheet

Carry facts into the new classroom.

A child needs a usable handoff, not adult speculation about the change.

Hypothetical example: a parent checks the school announcement and helps the child ask whether an unfinished assignment should come to the new teacher.

01 Confirmed transition

Record only what the school actually supplied.

Date and room information

Responsible school contact

Source of the confirmation

02 Child questions

Let the child identify the part they need explained.

Practical question

Familiar routine they will miss

Information still unknown

Teacher Transition Question Sheet / Review & follow-through

03 The first handoff

Keep child and adult responsibilities separate.

Child's short introduction

Question for the teacher

Adult message still needed

04 After the first day

Review the instruction that remains unclear.

What the child reports

Follow-up question

Confirmed plan for tomorrow
