The Overnight Guest Household Plan

Prepare the welcome and the household.

Hospitality needs an honest arrangement for guests and for the children who live in the home.

Example: a guest uses the reading room for one agreed night. Adults move school materials and restore the room after departure.

01 Confirm the visit

Use dates and arrangements actually agreed.

Guest and confirmed dates

Responsible hosting adult

Sleeping space agreed

Open arrangement to resolve

02 Protect spaces

Adults explain and carry the boundaries.

Shared space or item agreed

Private space to respect

Belongings to move and return

Adult for a child's concern

The Overnight Guest Household Plan / Review & follow-through

03 Prepare the routine

Make evening and morning changes clear.

Evening step to preserve

Morning materials and access

Adult logistics or supervision

Child's suitable welcome task

04 Restore and review

Finish the visit's household commitments.

Usual arrangement to restore

Adult responsible for restoration

Child or guest concern to hear

Next hosting change
