Tradition Purpose and Change Review

Protect the purpose and examine the plan.

An ordinary custom can be discussed without putting family belonging on trial.

Hypothetical example: A family keeps its birthday meal while trying a different afternoon activity for one year after checking the practical limits.

01 Name the tradition rather than defend the whole family

Name the optional tradition and the request precisely.

Repeated activity

Specific change requested

Existing commitment affecting the answer

02 Separate the purpose from the usual method

Separate the purpose from the usual activity.

Meaning the adult wants to preserve

Child's reason in their own words

Alternative that could serve the purpose

Tradition Purpose and Change Review / Review & follow-through

03 Make one decision with a clear scope

Record a feasible decision with its scope.

Decision and responsible adult

Scope of any one-time trial

Explanation to people affected

04 Review the meaning without grading loyalty

Review what actually served the shared purpose.

What happened at the occasion

Part of the purpose that was served

What to discuss before planning again
