The After-School Arrival Handoff

Know the place. Confirm arrival. Approve changes.

Arrival confirmation and permission for the next destination are separate adult responsibilities.

Example: the receiving grandparent confirms arrival. A friend's invitation waits for approval from the agreed caregiver.

01 Set the arrival

Record the actual supervised arrangement.

Expected destination

Receiving adult role

Travel arrangement

Expected arrival context

02 Confirm the handoff

Choose a method both ends can use.

Child or adult message

Adult monitoring the check

Acknowledgment wording

Private contact-list location

The After-School Arrival Handoff / Review & follow-through

03 Approve the next plan

A confirmed arrival does not approve another trip.

Possible destination change

Caregiver who may approve

Waiting arrangement

Urgent-help route

04 Check a missed message

Plan adult action and review the actual failure.

Backup contact method

Adult response if absent

Known transport contacts

One handoff adjustment
