The Church Help Request and Confirmed Handoff

Ask clearly. Confirm the offer. Receive it with dignity.

Burden-bearing and responsible adult ownership can coexist; a request is not a guarantee of help.

Example: a parent requests one evening meal through the appropriate church contact. A volunteer offers another day, the parent confirms it fits, and the actual handoff is recorded.

01 Name the bounded need

Keep urgent care on its proper route.

Specific practical task needed

Time or date relevant

Necessary care handled separately

Private details not needed

02 Choose the proper contact

Use the congregation's actual process.

Responsible church contact or route

Clear request sentence

Relevant requirement to explain

Smaller offer that could help

The Church Help Request and Confirmed Handoff / Review & follow-through

03 Confirm the actual offer

Goodwill and an accepted task are distinct.

Person who accepted the task

Help actually offered

Agreed handoff and timing

Approval or backup to confirm

04 Receive and review

Thank for what actually happened.

Help actually received

Suitable thank-you

Change message or unclear instruction

Need still requiring attention
