The Family Giving Commitment Review

Choose the recipient and verify the actual gift.

Generosity needs truthful expectations and completed commitments.

Example: adults research an organization through verified contact information, agree on one gift within their available amount, save the confirmation, and check that no recurring charge was unintentionally created.

01 Choose the purpose

State what the household can commit.

Need or cause to support

Amount or goods available

Existing responsibilities considered

Adults agreeing / decision date

02 Verify the recipient

Record evidence and unresolved questions.

Recipient's exact identity

Official contact or website checked

Programs / intended use information

Unknown fact before approval

The Family Giving Commitment Review / Review & follow-through

03 Authorize the specific gift

Keep payment details out of this sheet.

One-time or recurring arrangement

Verified donation or delivery route

Accepted goods / delivery agreement

Authorizing adult / review date

04 Confirm and review

Keep promises separate from impact claims.

Actual gift / confirmation location

Agreed amount or goods received

Recurring charge check if relevant

Next decision / evidence still needed
