Daniel 3 Courage and Uncertain Outcome Guide

Read the answer before discussing the rescue.

Read the friends' answer in Daniel 3, distinguish their loyalty from a prediction, and choose one truthful responsibility the family can carry out.

Hypothetical example: a parent helps a child correct a false account while admitting that the teacher's response is not something the parent can predict.

01 Hear the answer before the outcome

Read the answer before discussing the rescue.

Passage read

Friends' answer noticed

Rescue the passage reports

Question about the text

02 Name the smaller real decision

Name the actual decision your child faces.

Decision actually facing the child

Pressure described without exaggeration

Adult responsible for support

Information still needed

Daniel 3 Courage and Uncertain Outcome Guide / Review & follow-through
