Samuel Call, Message and Telling Record

Continue beyond the words everyone remembers.

A particular prophetic call is not a method for assigning divine authority to present impressions.

Hypothetical example: An adult notices an unresolved concern requiring their own follow-through without asking a child to act as a prophet or investigator.

01 Follow the repeated call without inventing a technique

Trace the repeated call and Eli's instruction in the actual chapter.

Sequence of calls and responses

Instruction Eli gives

Present impression we must not equate with the call

02 Read the message the familiar reply introduces

Read the difficult message about Eli's house without supplying unreported offenses.

Message the Lord actually gives

Adult failure named in the text

Question needing further teaching

Samuel Call, Message and Telling Record / Review & follow-through

03 Notice Samuel's fear and his truthful telling

Follow Samuel's fear, truthful telling and the account's closing establishment.

Samuel's stated fear

What he tells Eli

Closing establishment in the chapter

04 Let the adults examine their own responsibility

Keep a modest adult application separate from claims of present divine speech.

Adult responsibility to examine

Appropriate help route for a real concern

Limit of our household application
