Forgiveness and Repair Plan

Name the hurt, carry the repair, and protect the boundary.

Teach forgiveness honestly while adults address harm, appropriate repair, and the conditions for renewed access.

Example: a sibling tears a craft. With adult help, the child repairs a damaged part and agrees to ask before handling it. The hurt sibling is not required to resume play immediately.

01 Name the harm

Hear the impact without forcing closeness.

What happened

Person affected

Immediate need

Adult protection needed

02 Carry responsibility

Help the person responsible own and repair the act.

Accurate ownership words

Suitable repair

Support for repair

Repair completion time

Forgiveness and Repair Plan / Review & follow-through

03 Teach and distinguish

Keep forgiveness separate from instant trust.

Scripture to discuss

Hurt child's honest words

Future access boundary

Prayer or support

04 Review the repair

Check actions after the conversation.

Repair actually completed

Boundary honored

Concern still open

Next adult follow-up
