Read Genesis 9 With the Covenant Attached to the Rainbow - working notes

One situation. Clear facts. An honest next step.

Read Genesis 9:8-17, identify whom God includes and what he promises, and explain the rainbow with that covenant in view.

Hypothetical example: A child asks if a rainbow guarantees tomorrow's outing. The parent explains the covenant and checks the outing separately.

01 Answer the question the rainbow raises

Read Genesis 9:8-17 and name the speaker and recipients.

Speaker and listeners

Others included

Word to explain

02 State the promise at its actual size

Write the covenant's actual promise and its boundary.

Promise in the text

Claim the text does not make

Present safety duty
