James 3 Speech and Wisdom Review

Start with the sentence you actually spoke.

A practical correction must not hide an insult inside religious or household instruction.

Hypothetical example: a parent corrects their own public label about a child and replaces it with a truthful instruction about the unfinished task.

01 Speech images

Use an image James actually supplies.

Image named in the chapter

Connection to speech

Word or line needing explanation

02 The connected contrast

Keep the surrounding teaching in view.

Blessing and cursing line

Wisdom description to reread

Question for further church teaching

James 3 Speech and Wisdom Review / Review & follow-through

03 Adult sentence

Review your own words first.

Exact adult wording

False or contemptuous part

Truthful practical replacement

04 Repair and next words

Return the correction to its original audience.

Listeners needing the repair

Correction actually given
