Read Kept and Sent Together in John 17 - working notes

One situation. Clear facts. An honest next step.

Read John 17:6-23 with its requests to keep the disciples, sanctify them in truth and send them in view. Do not replace that connected prayer with a single universal isolation plan.

Hypothetical example: A parent corrects a claim that the prayer forbids all contact outside church, then names the actual concern about an optional activity and decides it responsibly.
