Loaves, Crowd, and Honest Giving Review

Keep the ending beside the familiar miracle.

An ordinary contribution should meet a real need without a promised return.

Hypothetical example: a family reads the crowd's later response in John 6 and delivers confirmed church-project materials without promising that the gift will be multiplied for them.

01 Reported resources

Keep imagined dialogue out of the account.

Question Philip receives

Resources Andrew names

Detail the passage does not supply

02 The connected ending

Read the response after the feeding.

Jesus' action

Crowd's later intention

Jesus' response to that intention

Loaves, Crowd, and Honest Giving Review / Review & follow-through

03 Ordinary contribution

Use confirmed need and actual resources.

Need actually confirmed

Contribution within family capacity

Child's suitable part

04 Truthful handoff

Record the completion you can verify.

Recipient and agreed route

Receipt confirmed or pending

Result you must not promise
