Mary and Martha Listening Review

Hear the answer before assigning the label.

Adult attention and necessary care duties both need an honest owner.

Hypothetical example: a parent sets aside ordinary messages for the short Luke 10 reading and arranges a real return for the adult who must finish a necessary care task.

01 The encounter

Describe the actions before applying them.

Martha's action and request

Mary's action

Jesus' answer to reread

02 Reading question

Leave personality labels out of the discussion.

Child's actual question

Text detail needing explanation

Family label to stop using

Mary and Martha Listening Review / Review & follow-through

03 Adult attention

Change a habit you actually own.

Adult distraction

One attention change

Care duty still needing an owner

04 The return

Finish the hearing you promised.

Responsible duty arrangement

Question actually heard or pending
