Read the Sabbath Dispute With the Woman Still in View - working notes

One situation. Clear facts. An honest next step.

Read Luke 13:10-17 with the woman's release and Jesus' answer together. The person he calls a daughter of Abraham must not disappear into a general argument about rules.

Hypothetical example: A child first summarizes only an argument. The family adds the woman's release, her praise and Jesus' daughter-of-Abraham words from the actual passage.
