Luke 19 Restitution Reading Record

Read the encounter before assigning a repair.

A concrete wrong calls for a concrete response; the household method is not a price for salvation.

Hypothetical example: a family reads Luke 19:1-10, distinguishes giving to the poor from restitution to a wronged person, and plans the adult-confirmed return of an ordinary belonging without inventing a salvation payment.

01 The encounter

Begin with the account's movement toward Jesus.

Passage read together

Jesus' initiative in the account

Zacchaeus' welcome and response

02 Specific response

Keep the two actions recognizable.

Statement about giving to the poor

Statement about restitution

Jesus' words to keep in view

Luke 19 Restitution Reading Record / Review & follow-through

03 Ordinary repair

Apply a modest response to the actual wrong.

Person and belonging affected

Repair requiring agreement

Responsible adult and child's suitable part

04 Completion and question

Separate an offer from finished action.

Repair actually completed

Next handoff still owed

Theological question for responsible church help
