Micah 6 Useful Help and Humility Review

Useful help does not need a stage.

The person receiving help is a person to serve, not proof of the helper's character.

Hypothetical example: a family confirms an appropriate delivery time and brings requested supplies without photographing the recipient for a social post.

01 Read the question before choosing a slogan

Read the passage before designing a public story.

Passage read

Instruction noticed

Question about the context

Application proposed by the adult

02 Confirm a need instead of inventing one

Confirm a real need and recipient preference.

Need actually confirmed

Recipient or organization contact

Permission for the proposed help

Preference the recipient expressed

Micah 6 Useful Help and Humility Review / Review & follow-through

03 Choose a task within the family's real role

Choose a useful action within your role.

Suitable task for this family

Resources actually available

Responsibility outside your role

Child's appropriate contribution

04 Protect the person while finishing the work

Complete it without unnecessary exposure.

Completion agreed with recipient

Evidence needed only for the task

Private detail to protect

Follow-up requested by recipient
