Philippians 2 Christ and Adult Response Record

The adult can hear the appeal too.

Keep Christ at the center and a present application in its proper place.

Hypothetical example: A parent reads the passage's humiliation and exaltation together, hears another person's useful suggestion and gives accurate credit without claiming spiritual success.

01 Read beyond a rule about being nice

Trace Paul's appeal before the account of Christ.

Rivalry the appeal addresses

Attention to others in the opening

Question the family wants explained

02 Keep Christ's humiliation and exaltation together

Record humiliation, exaltation and the confession accurately.

What the text says Christ does

What the text says God does

Confession at the passage's close

Philippians 2 Christ and Adult Response Record / Review & follow-through

03 Examine how the adult uses status

Examine one real adult use of status.

Adult action or decision to examine

Other person's actual contribution or need

Responsibility the adult must still carry

04 Return the attention to Christ

Review an appropriate response and return to the passage.

Useful action actually completed

Motive or result that remains unclaimed

Verse or question to return to
