The Lord's Supper Church Conversation

Ask clearly before making a participation plan.

The family can prepare questions; the worksheet does not authorize participation or settle church doctrine.

Example: a child asks about the cup. A church leader explains the congregation's guidance and arranges the next instruction conversation.

01 Hear and read

Begin with the actual question and passage.

Child's question or observation

Passage and translation read

Conduct addressed in the context

Text point needing explanation

02 Prepare church questions

Ask the responsible leader directly.

Meaning to clarify

Guidance for children to ask about

Preparation or instruction question

Responsible church contact

The Lord's Supper Church Conversation / Review & follow-through

03 Record confirmed guidance

A friendly conversation is not assumed approval.

Actual teaching explained

Participation guidance confirmed

Further meeting or instruction

Detail still unconfirmed

04 Prepare the service

Give practical directions without pressure.

Actual service arrangement

Adult available to help the child

Question route during the service

Follow-up the adult will keep
