# Read Psalm 78 With the Warning About the Fathers Still Included - working notes

*One situation. Clear facts. An honest next step.*

Read Psalm 78:1-8 for what is passed on, why it is taught and what the next generation is warned against. Faithful memory is more than a story that the ancestors always did well.

Hypothetical example: An adult describing a family Bible practice acknowledges a correction they actually made instead of claiming that every explanation was right from the beginning.

## 01 Identify what travels between generations

Trace the generations and the teaching in Psalm 78:1-8.

What was heard and known

Works to be told

Generations in the text

## 02 Read the purpose before choosing a legacy slogan

Identify the stated aim of hope, memory and obedience.

Hope directed toward

Works to remember

Commandments mentioned

# Read Psalm 78 With the Warning About the Fathers Still Included - working notes / Review & follow-through

## 03 Keep the uncomfortable warning in the lesson

Read the warning about earlier generations without dropping it.

Conduct warned against

Warning often omitted

Question about the wider psalm

## 04 Tell a smaller account that can bear the truth

Review a permitted account of your own learning for truthful limits.

My own shareable correction

Private history to leave out

Words that return attention to God
