The Psalm 23 Context and Care Page

Read the comfort with the valley still in view.

Trust in the Lord can be discussed honestly alongside difficulty and responsible care.

Example: a child asks about fear after hearing the valley verse. The family prays and names the adult who will address the real concern.

01 Observe the passage

Use words the psalm actually gives.

Translation and whole passage read

Image the child noticed

Words supporting its meaning

Explanation still uncertain

02 Keep the setting

Comfort does not erase difficulty.

Valley or difficulty in the text

Care or comfort in the text

Easy-road promise to avoid

Child's question to hear

The Psalm 23 Context and Care Page / Review & follow-through

03 Choose the application

Name an ordinary responsibility clearly.

Concern to bring in prayer

Responsible practical help

Adult action honestly promised

Outcome not ours to promise

04 Read and review

Return to the psalm after the decision.

Line to reread in context

Application needing correction

Question for a church teacher

Adult follow-through to check
