# Scripture Purpose and Adult Instruction Review

*Give the source its own words and authority.*

A practical household application should be named honestly as an application.

Hypothetical example: a parent corrects an overstated claim about a household schedule, reads the actual passage with the child and explains the schedule's practical purpose.

## 01 Connected counsel

Read the familiar verses in their actual setting.

Person addressed

Earlier counsel to retain

Word or detail needing explanation

## 02 Scripture's purposes

Use the purposes the passage names.

Purpose named in the text

Relation to faith in Christ

Good-works line to reread

# Scripture Purpose and Adult Instruction Review / Review & follow-through

## 03 Adult statement

Separate a source claim from a household detail.

Exact instruction given

Actual source relied on

Practical detail the adult chose

## 04 Honest explanation

Correct an overstatement without hiding the task.

Corrected explanation

Household direction that remains

Question for church discussion
