First Turn and Waiting Role Plan

The first place is an assignment, not a whole character assessment.

The coach owns the turn order and the boundary against public dares.

Hypothetical example: a coach names an approved speaking order, clarifies one athlete's question and stops teammates from making the first turn a dare.

01 Choose an order before asking who is brave enough

State the purpose of the starting order.

Approved activity and order purpose

Assigned or genuinely optional status

Authority deciding suitability

02 Give the first place a practical purpose

Assign the first and waiting roles clearly.

First athlete and actual reason

How later turns are assigned

Waiting athletes' current duty

First Turn and Waiting Role Plan / Review & follow-through

03 Hear the hesitation without diagnosing it

Hear any actual question about the start.

Question the athlete actually asked

Clarification or permitted adjustment

Responsible adult for a participation concern

04 Stop the dare and restore the actual task

Restore the task when peer pressure changes its meaning.

Dare or conduct to interrupt

Current order after any change

Observed start to review
