The Honest Household Listing Plan

Describe the item as it is, then decide the handoff.

An asking price is a proposal; truthful information and adult responsibility come first.

Example: an adult discovers an unused item is borrowed and holds the proposed listing until the owner resolves permission.

01 Confirm permission

Unused does not automatically mean yours to sell.

Item and actual owner

Permission obtained or pending

Other household commitment

Restricted or suitability question

02 Describe the item

Do not promise unverified performance.

Included parts and condition

Known defect or missing detail

Unknown history to disclose

Photo privacy check

The Honest Household Listing Plan / Review & follow-through

03 Read the selling process

Use the actual current platform rules.

Platform and rule source

Item eligibility checked

Asking price and actual fees

Adult communication and payment route

04 Hold or finish honestly

Do not treat a payment screenshot as a result.

Scam or code request to stop

Appropriate adult handoff plan

Actual offer or transaction state

Verified result and remaining action
