Joint Session Leadership Map

Two programs need one clear current teaching arrangement.

Shared space does not settle shared authority.

Hypothetical example: two approved staffs name the lead teacher for one segment, confirm the waiting-location wording, and return athletes to their own teams afterward.

01 Confirm the shared session before planning the activity

Confirm the permitted shared session and purpose.

Session authorization still needed

Specific shared teaching purpose

Program or venue condition unresolved

02 Name who leads each part

Name the responsible teaching leader for each part.

03 Resolve a mismatch through the adults

Agree how staff resolve a current instruction mismatch.

Term or direction requiring comparison

Current wording agreed

Adult route for a new mismatch

04 Close the shared part and return responsibility clearly

Return each team to its own closing arrangements.
