Overnight Tournament Check

Pack for the actual trip and finish the return.

Use current event details, assigned bag responsibilities, and visible checks before departure and after travel.

Example: the athlete gathers the event kit, a parent verifies the required pieces, and another adult carries booking details. The family checks the hotel room before returning home.

01 Confirm the trip

Check current organizer and booking information.

Event arrival details

Hotel and check-in

Required paperwork

Traveling adult contacts

02 Assign the bags

Separate athlete, overnight, and adult logistics.

Athlete bag items

Overnight essentials

Adult logistics items

Packer and checker

Overnight Tournament Check / Review & follow-through
