Wrong Accusation Repair Record

Correct the charge wherever it traveled.

An adult's false accusation requires an adult-owned correction.

Hypothetical example: a parent finds an item in their own bag, returns a removed privilege, and corrects the accusation in front of the siblings who heard it.

01 The mistaken charge

Separate the claim from what you now know.

Exact accusation

Evidence that corrected it

Plain retraction

02 The practical reversal

Undo what depended on the false charge.

Consequence imposed

Change now required

Who will complete the reversal

Wrong Accusation Repair Record / Review & follow-through

03 The audience correction

Return the truth to its original listeners.

People who heard it

Correction route

Words without excuses

04 The next check

Use a specific pause before assigning blame.

Fact to check first

Child account to hear

Follow-up still owed
