Conference Question and Return Conversation

Bring the question home with an actual answer.

A conference plan should connect the child's real question with a specific explanation and an owned next step.

Hypothetical example: A child asks about a project comment; the parent brings the marked work and returns with the teacher's explanation.

01 Ask what the meeting is for

Confirm the purpose and participation arrangements of the actual conference.

Confirmed meeting purpose

Who the school says will attend

Arrangement still to confirm

02 Bring a question and an actual example

Select the child's question and one relevant work example.

Child's question in their words

Relevant work example

Specific point I want explained

Conference Question and Return Conversation / Review & follow-through

03 Hear the explanation before choosing the plan

Record the explanation, proposed action and any unresolved point.

Teacher's actual explanation

Next step and responsible person

Question left unresolved

04 Return the meeting to the child

Explain the agreed next step to the child and review it at the stated time.

Explanation I will give the child

Adult follow-through owed

Agreed review time or route
